SUFFRAGE TIMELINE

U.S. SUFFRAGE TIMELINE

- 1776** The Declaration of Independence is signed. The right to vote is based on property ownership. Suffrage is primarily for white male Protestants over the age of 21.
- 1787** The Constitution is drafted. States are given the power to regulate their own suffrage laws and favor white male landowners.
- 1848** Because African-Americans and women will suffer discrimination at the polls, Elizabeth Cady Stanton sets forth resolutions for women's suffrage at the first convention of women's rights advocates.
- 1865** A Civil Rights Act defines citizenship and prohibits discrimination based on race. The Republican Congress overrides the veto of President Andrew Jackson, hoping to lure the vote of former slaves.
- 1868** With the Civil War over, lawmakers enact the 14th Amendment, granting citizenship to African-Americans and permitting them to vote. But state officials still attempt to deny them the right to vote.
- 1870** The 15th Amendment is ratified, providing the legal rights of African-Americans to vote and prohibiting state and local governments from denying that right.
- 1890** Wyoming becomes a state and is the first state to provide suffrage for women in its Constitution.
- 1920** The 19th Amendment is ratified, giving women the right to vote.
- 1947** Miguel Trujillo, a Native American and former Marine, wins a suit against New Mexico for not allowing him to vote. New Mexico and Arizona are required to give the vote to all Native Americans.
- 1957** The Civil Rights Act passes, allowing punishment for interference with, or disruption of, protection for African-American voters.
- 1964** The 24th Amendment passes, outlawing the poll tax.
- 1965** The Voting Rights Act passes after Martin Luther King, Jr. leads 25,000 people on a march from Selma to Montgomery, Alabama, to dramatize the need for more voting rights.
- 1970** The Voting Rights Act is amended to lower the voting age to 18 and ban the use of literacy tests.
- 1971** The 26th Amendment lowers the voting age from 21 to 18.
