

**Social Media's Impact on Teen Drug Use  
Reflection Questionnaire**

1. When looking at other peers on social media, how do you feel about yourself?
2. Does your time on social media keep you from getting enough sleep to feel rested at school?
3. Does your schoolwork ever suffer because you spent too much time on social media platforms?
4. Do you believe that a person's life is accurately reflected on their social media page?
5. Do you overshare your personal life or information on social media?
6. What is your opinion of your peers when you see them under the influence of drugs online?
7. Which word best describes what you think when you see celebrities using illegal drugs on online platforms?
8. How often do you see peers having fun with no visible evidence of drug use?
9. Have you seen awareness and/or educational information about teens and substance abuse prevention?
10. Have you seen peers speak out against teen substance abuse online?

How would you rate the impact social media may have on teen substance abuse on a scale from 1 to 10, 1 being the lowest impact and 10 being the highest impact? \_\_\_\_\_
