

Warning Signs

of an abusive relationship

Roll the die, discuss the warning sign with the coordinating number and write at least one example.

1. **Too much too soon:** partner pushes for instant closeness.

2. **Isolation:** partner insists on spending all or the majority of your time together.

3. **Double Standards:** your partner can hang out with friends but you can't.

4. **Dishonesty:** misleading or telling lies.

5. **Blame Shifting:** partner doesn't accept responsibility for their actions.

6. **Manipulation:** attempting to control or influence another to their advantage.

7. **Groups Choice:** What is a warning sign not listed here?
