

# WHAT SAY YOU?

Each team member takes turns rolling a die, reads the corresponding quote to their team and provides a response.

	"If you don't hook up with me, I'm going to break up with you."
	"Let's go out to eat at Charlie's" "But, we've gone there the last four times we've been out to eat." "It's good food and I like hanging out there, you know you like it too, so what's the big deal?"
	"Those clothes make you look like a tramp, I better not see you wearing them in public again."
	"You're focusing too much on your school work and soccer, aren't I important enough for you to spend more time with me than focusing on yourself?"
	"I looked on your phone and you have a lot of people in your contact who I don't know, who are they and why do you have them in your phone?"
	"I don't want you talking to Alex anymore." "But, he's my best friend, we've been friends for years." "So, he's more important than me, I thought you loved me!?"
