

**A friend asks you to go to a part of the playground at school your grade is not allowed to. What is something you would you do to stay safe?**

**You come to the corner to  
cross the street to school.  
What is something you would  
do to be safe?**

**An adult you don't know says they are supposed to pick you up after school. What is something you would do to be safe?**

**An older student wants you to see something you know is against the school rules. What is something you would do to be safe?**
