How to Ask Parents

1. Ask your parents if you may bring an item to school.

2. Explain to your parents why you would like to bring that item to school.

3. Inform your parents of how you will take care of that item once you take it to school.

Example:

1. May I please take my special cup to school?
2. We are having Show and Tell at school and I would love to show my friends.
3. I will take good care of it and keep it in my backpack when I am not allowed to have it out.
