

# Being President

The President of the United States has a difficult job and makes important decisions. Some of their responsibilities include meeting with leaders of other countries, keeping the country safe, and deciding what laws to approve or reject. One fun decision they have is whether or not to have a pet live at the White House. Some of these pets and the President who owned them are shown below.

**Find and circle these pets in the picture.**

**Pig**  
(Lincoln)

**Bear**  
(Jefferson)

**Snake**  
(T. Roosevelt)

**Hippo**  
(Coolidge)

**Parrot**  
(Grant)

**Tiger**  
(Van Buren)

**Fish**  
(Cleveland)

**Mouse**  
(Johnson)

**Cow**  
(Taft)

**Chickens**  
(McKinley)

**Ram**  
(Wilson)

**Alligator**  
(Hoover)

What pet(s) would you have if you were President?
