

Blood on Boogy Boogy Avenue

Victim: Michelle Noabodie

Witness (Neighbor): Betty Knosey

Location: 1234 Boogy Boogy Ave

The neighbor called 911 at 5:15am for a possible homicide at 1234 B.B. Ave. She stated that while walking her dog, she noticed the open front door and that it was strange for Michelle to have done that. When she walked up to see what was happening, Betty saw blood on the floor. She screamed into the house calling for Michelle. Getting no answer, she walked inside to see if Michelle needed help. She saw a big mess and more blood; it looked like a fight had occurred. Not finding Michelle, she went back outside and called the police.

Detectives arrive. You find that there is no one home but the house is a mess and a lot of blood is inside. The main scene is the office.
