

We the People Level 1	Arizona Common Core Standard for ELA and Literacy in History/Social Studies <u>Reading</u>– Grade 6-8 grade
	<p>Note: The common core standards are skill based rather than standards for particular content. Because of that distinction, the Reading Standards for 6-8th grade COULD all be met with each of the lessons for We the People Level I because the activities and questions in each lesson include options for fulfilling each of these standards. The text includes pictures, some graphs and charts, some individual historical accounts, quotes and opinions as well as full primary source texts of the Declaration of Independence, the Constitution, and its amendments which allow students to meet those Common Core standards which call for analysis and comparisons of these types of sources.</p>
