

# Going to Vote

Before going to vote you have to be **registered** or signed up. We register to make sure that everyone can vote only once in an election, that they are allowed to vote, and that they live in the area they are supposed to vote in.

**Find the correct path from the voting booth to the ballot box.**

A **voting booth** is where you cast your vote on a ballot.

A **ballot** is a sheet of paper where you cast your vote.

A **ballot box** is where you drop off your ballot for it to be counted.

Is everyone in your family registered to vote? \_\_\_\_\_

If not, tell them to register today!

Why do you think it is important to vote?
