

The Superpower of Going to School!

I'm Going to School!

Draw how you get to school

I come to school
everyday because I
learn new things and
have fun!

School Starts

Draw who helps you learn at school

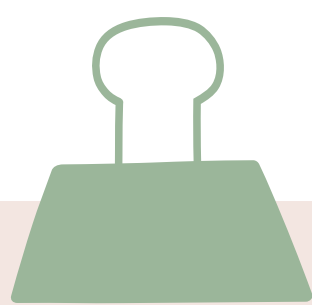

My teacher helps me
learn new things and
become smarter!

Learning Begins

Draw something you like to learn about

I love learning
interesting topics
that spark my
curiosity!

Going to school every day helps me grow, learn and have fun. Let's try to come to school every day and be the best we can be!

I come to school on time

I come to school ready to learn

I come to school to have fun
