

# What are People Saying?

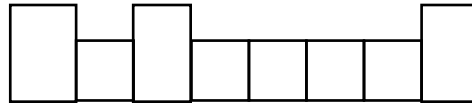

People get news from different places. You have to remember that not everything you hear or see is true, so you have to try to find more than one **source**. A source is where information comes from. Sources can be from books, newspapers, television, magazines, the internet, and even pictures.

**Write the words in the word shape boxes.**

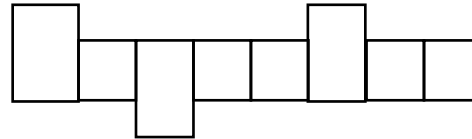

1. Book

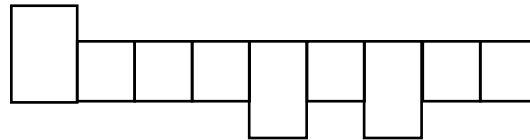

2. Internet

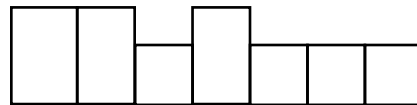

3. Magazine

4. Newspaper

5. Picture

6. Television

Where does your family get their news?
